ANNUAL AUCTION

December 17th

SATURDAY, MARCH 13, 2010

5pm at St. Demetrios Hall

Procurement is in progress. Deadline is Feb. 5th, 2010

Would you like to get a jump start on your auction procurement this year? Wouldn't it be great to mark off one more item on your never-ending "to do list. Well, we are here to help!

If you are donating the same item as last year, there is no need to complete a procurement form. Simply send Victoria Silecchio an email bremgartner@comcast.net indicating that you would like to donate the same item as last year. She will take care of it from there. If you are donating a cabin or getaway and the dates or restrictions have changed, please indicate the updates in the email. She will email you the description from last year to confirm the information is still applicable.

With limited storage space in the school, we ask that the physical item be brought to the school the week of March 7th. Thank you.

WE NEED YOUR HELP!

Volunteers are still needed for many areas including procurement, operations and event logistics. Please help us make this year's auction a huge success! Contact Suzanne or Kathy if you would like to help.

Tips on Procurement

- Work with another family or families to put together a larger auction item, such as a special theme dinner for 10-12, a tea party, or a winery tour at a Washington winery.
- Make an item, such as a hand knit scarf/hat or quilt.
- Think of places you engage, business, services or clientele. If you are a valued customer on a first name basis with the business owner or manager, procurement would be a good bet. For example, restaurants, salons, golf courses, and wine shops are good sources for auction items. Donors will benefit by being mentioned and / or featured in auction collateral and at the event itself. Be sure to fill out a procurement form (form attached) and drop it by the office or email Victoria.

We are planning a great procurement contest starting January 4, 2010!
