**PARENT COMMITMENT HOURS – Grades K - 8**

Tuition does not fully cover the cost of educating a St. Benedict student. Volunteer time is essential to the support of the school. St. Benedict families are expected to contribute a minimum of 40 hours of volunteer time per family. Volunteer hours may also be contributed in the name of the family by friends and relatives who are high school age or older.

20 hours per family are directed to the Wurst Festival in September

20 hours per family are directed to other fundraising activities, (which include that all families will contribute a few hours to the auction in the spring), classroom assistance, coaching or other school related events.

In addition to providing volunteer hours to the auction, each family needs to donate a new item or service to be sold at the auction that has a retail value of at least \$200. Items of lesser value may be grouped together to equal \$200. Families who do not fulfill this commitment will be billed.

The value of each hour of volunteer time is \$20 per hour. Families will be billed for hours that have not been fulfilled. It is the responsibility of each family to regularly report their volunteer hours to the Volunteer Coordinator either on-line or with the volunteer form that is available in the school office. \$20.00 per hour will be assessed in May 2011 for unfulfilled service hours. Auction hours will be assessed by end of school year.

\_\_\_\_\_ Add \$800 to your tuition amount due if you do not plan to volunteer the required volunteer service hours per year.

Completed volunteer hours or payment of hours must be fulfilled prior to confirming registration for upcoming school year.
