

Wurst Fest Family Baking Assignments 2017

These assignments are for each child in the class.

As this is a "Bake Sale" we ask that everything be homemade.

8th Grade – 3 dozen cookies, medium size

7th Grade – 3 dozen cookies, no choc chip, medium size

6th Grade – 3 dozen "bar" cookies (uncut)

5th Grade – 2 pies: 1 for Thurs/Friday delivery and 1 for Saturday am delivery if possible (uncut)

4th Grade – 2 batches of rice crispy treats (uncut)

3rd Grade – 2 pies: 1 for Thurs/Friday delivery and 1 for Saturday am delivery if possible (uncut)

2nd Grade – 2 batches of ribbon brownies, uncut (jam, cream cheese, or peanut butter)

1st Grade – 3 dozen cookies, nut free, medium size

Kindergarten – 2 batches of brownies, nut free, frosting optional (uncut)

Pre-school and Pre-K – 1 dozen cupcakes - easy to bake and fun to decorate!

***Please label all of your baked goods so we know specifically what they are.**

***Additionally, please list your ingredients and clearly indicate if nut free.**

We can accept the goods starting Thursday afternoon, September 14, in the cafeteria. Please bring in your baked goods **no later than Friday at noon, September 15.**

If you are making pies, cakes or bars, please leave them uncut. This way we can cut them all uniformly on Friday morning and the pricing will be easier. Mark your pans and we will set everything aside so you can pick up your stuff starting Saturday morning.

If you love to bake and have a special treat you want to share, we welcome any and all additions to this list. We will have a refrigerator to keep items cold. Also, if you are interested in baking some sweets that could accommodate people with dietary needs, we would love to hear from you. We have requests for gluten free, dairy free and vegan items; we've tried to accommodate nut free options in our baking assignments above.

Thank you! Your baking contributions are an important part of the Wurst fundraiser! We will welcome ANYTHING you would like to bake and donate!
