

NEW: Reload Your QFC/Fred Meyer Gift Card

You are now able to reload your card with the St. Benedict Scrip Program.

To continue to earn 5% for the school, we must maintain combined \$5,000 minimum orders. The Scrip Program will combine reload orders with physical card orders in order to reach that minimum. Cards to be reloaded don't need to be empty and you are not limited to \$100 increments (put on anywhere from \$25 to \$350 or more). The maximum reload amount is \$500 per card. We will try to offer reloads twice a month.

For questions or instructions, contact us at scrip@stbens.net, or call Elizabeth McDowell at 206-852-7594. Try it out and help us launch this new option!

Contact the Scrip Team or the School Office for upcoming deadlines.

You can pay by check or cash, in the school office at the Scrip table.
