IMPORTANT VENDOR INFORMATION.

- Vendors must display their Seattle Business License throughout the festival and are responsible for all taxes and fees payable to the State under such license. Vendors must also have their Washington State UBI number/registration for payment of said taxes.
- Basic lighting will be provided for outdoor booths. Any Vendor requiring additional access to electricity or other facilities during the festival must obtain advance permission from the festival organizers. The festival reserves the right to refuse such access or to charge the vendor an additional fee for such use. This policy will be strictly enforced.
- Vendor is responsible for all security relative to vendor's goods and merchandise during the festival, from the time of set-up until vendor vacates the premises at the conclusion of the event.
- Vendor is responsible for maintaining a clean area during the event.
- Vendors are required by the Fire Department to have a fire extinguisher in their booth.

WAIVER: Vendors agree to hold harmless The Great Wallingford Wurst Festival, St. Benedict School and Parish, its agents, employees, and assigns and all festival organizers, chairpersons, and volunteers of the festival, against any breakage or damage to goods, economic loss, the weather, acts of God, illness, accident, fire, theft, or any other claim, real or imagined, connected in any way with Vendor's participation in the Festival. Vendor further agrees to accept total liability for, defend and hold St. Benedict School and St. Benedict Parish harmless from any litigation resulting from any action of vendor, vendor's assigns or employees, while participating in the Festival. This Agreement is governed by Washington law. In the event of any claim or cause of action related to or in connection with this Agreement or Vendor's registration or participation in the Festival, the prevailing party in any such action shall be entitled to reimbursement of its reasonable attorneys' fees and expenses. Vendor warrants and represents that it is fully compliant with all municipal requirements applicable to its status as a vendor.
